

LEED® Building

MTI MASONRY
TECHNOLOGY
INCORPORATED

Best in Moisture Management.

Highest Recycled Content.

MTI's premier rainscreen technology contributes to sustainability of buildings, health of occupants and lessens environmental impact. Architects like you from coast to coast specify MTI's rainscreen products in buildings certified by U.S. Green Building Council's LEED® green building program. Partner with the moisture management experts at MTI in your next high-performance green building project.

Minimum 96% Recycled Material

MTI drainage planes, weeps and accessories made from our black polystyrene material (Polystyrene HIPSAEX) contribute toward satisfying the following LEED credits:

EAc1 Optimize Energy

1-10 points

MRc4 Recycled Content

1-2 points

IEQc4 Low Emitting Materials

1 point

MRc5 Regional Materials

1-2 points

Effective moisture management systems reduce dehumidification costs significantly

>96% Pre-Consumer High Impact Polystyrene

No more than 0.1% by weight of any POPs Source Materials, VHHCs, HHCs or Highly Acute Toxicants

Final Assembly/Manufacturing Address:
24235 Electric Street
Cresco, IA 52136

Build It Green. Keep It Dry. Specify MTI.

Eligible Products

Made from Pre-Consumer High Impact Polystyrene

Rainscreen Drainage Planes

Sure Cavity™

SC 5016, SC 5032

10MM Sure Cavity™

SCMM 2516, SCMM 2532

Gravity Cavity™

GC 1816, GC 1832

Perforated Control Cavity™

PCC 4816, PCC 4832

10MM Perforated Control Cavity™

PCC 2416, PCC 2432

Control Cavity™

CC 4800 NF

10MM Control Cavity™

CC 4810 NF

Window Drainage Plane

WDP 5000

Weeps

Concealed Steel Lintel/Shelf Angle Weep™

CLW 9040

Vent Strip™

VS 3845

Vent Mat™

VM 9025

Accessories

Floor Edging™

FE 8555

Trash Mortar Diverter™

TMD 9548

Mortar Belt™

MB 3550

Custom-Produced Eligible Products

*****MTI Clear Products** Because of customer demand, the following products are produced with clear Polystyrene which *does not* share the same recycled material composition of the black.

Any of these products can be custom-produced with the black Polystyrene to meet LEED point requirements. Please contact MTI for a quote at 1-800-379-3348.

Wall Opening Weeps™

WOW 9095

Cavity Weep™

CV 5010

Stone Cavity Weep™

SCV 5012

Core Cavity Weep™

CCV 5020
